

#### **PRODUCT DESCRIPTION**

QSEG Modular Frames are a versatile system that is perfect for use as single free standing frames, partitions, as well as trade show applications. Tool free frame assembly and connection, paired with custom dye sub printed fabric graphics with SEG finishing make for quick and easy booth setup and breakdown. Each frame includes their own padded travel bag with foam inserts to keep each part in place during storage and transport. Choose from our wide range of pre designed configurations or contact us for a custom quote.

\*Please check your tradeshow guidelines to make sure this configuration conforms to the show regulations. If adjustments to the configuration are required to meet the show requirements please contact us\*
